

## Topic 10

Sura 11, ...Hud,... dates (like sura 10) from late in the Meccan period, the first part of Muhammad...s prophetic career. Its name comes from verses 50–60, which tell the story of the prophet Hud, who was a

---

This sura dates, like suras 6, 7, 10, 11, and 12, from late in the Meccan period, the first period of Muhammad...s career as a prophet. Its name comes a phrase in v. 13, ...the thunder repeats his praises

---

Sura 34 dates from the Meccan period, during a time when, according to Maududi, ...the Islamic movement was being suppressed...by resort to derision and ridicule, rumor mongering, false allegations and ca
